

## Thank you for being part of our MPAS family!

We are happy to share these valuable offers with our most dedicated staff, volunteers and adoptive families.

Through community partners' support, MPAS can significantly raise awareness and life-saving funds. Funds that provide animals with a safe place until their 'forever family' can be found, basic and emergency medical care for animals in need and community programs that support families in caring for and retaining their pets.

Additionally, for our partners, we can increase brand exposure, support corporate social responsibility efforts and engage their associates in a meaningful way.

Please contact JoAnn Bartoli at [joann.bartoli@njshelter.org](mailto:joann.bartoli@njshelter.org) if you or someone you know would be interested in learning more about partnership
